2018 Exhibition
January - April
Goodpasture Concourse
Moody Memorial Library
The Baylor Libraries celebrate and support the university’s ambitions to become a Tier One Christian research university. Each year, the libraries demonstrate our commitment to the academic mission of the university by featuring recent contributions of Baylor’s faculty, graduate students and staff in the Creations at Baylor exhibit in Moody Memorial Library.

The works on display in this exhibit not only honor the contributions of the Baylor community to the academic conversation, but also inspire the next wave of inquiry and insight. The Creations at Baylor exhibit and this catalog do not include all of the academic productivity of the Baylor community during the past year, but are representative of the unique and powerful perspectives that Baylor contributes to our world.
